

**THE BACKVAC
THAT HAS IT ALL!**

**CLEAN
TECH**

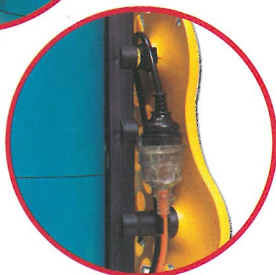

Innovation Quality Performance

The flexible shoulder straps and the ventilated back support are ergonomically designed for maximum comfort.

Cable restraint protects the electrical cable from stress and damage.

Power cable can be easily replaced.

EASY COMFORTABLE EFFICIENT PIGGYVAC

The shoulder straps and waist harness can be infinitely adjusted to give total support in all operations.

Disposable sealed paper dustbags are available and together with the reusable cloth dustbag give optimum dust retention.

Accessories include a crush proof hose, a pistol-grip with air regulator, a telescopic wand and easy-glide floortool. A tool caddy with dusting brush, upholstery and crevice tool is included.
